A MESSAGE FROM THE NEWSBOYS

Global Tribe was
founded in 1992 by
Anthony Walton.
Read the entire
story at
globaltribe.com

Dear friends,

We are headed out on tour again this fall with a new record, new staging and a lot of excitement for what the future holds. We will also be talking about GlobalTribe and asking for your [support](#) - just \$1 a day - to change the lives of 350 families

Also joining us is Anthony Walton, our long time band pastor, friend and founder of GlobalTribe. Anthony is like family and so it was quite natural for us to help launch GlobalTribe in the U.S. We have been so moved by this ministry that we have accompanied GlobalTribe to Baja on a number of occasions and we are more motivated than ever to both serve the poor and raise the profile of GlobalTribe amongst our fans and beyond.

You each signed up to give a dollar a day, some monthly, some a year at the time. We deeply appreciate your support for a ministry we believe is vital, and changing lives.

GlobalTribe leadership cast a vision for 2010. We believe it is an opportunity to change a generation and offer hope for those to come. Joining forces with Teen Mania, we expect 2,000 volunteers to build a village with 350 homes, a church, and provide a system to supply pure water and reliable electricity, as well as solid biblical education-huge. To build such a model village is strategic in changing community mind-sets long term. We will change lives forever.

You helped us build homes before and it has changed the lives of many. Will you now join us and help us build a village?

We have accomplished a lot together. In 2007, we never would have thought that now over 37,200 people in Mexico would be going through the Purple book program, laying a biblical foundation-that's amazing. Our Reach evangelistic events have now attracted a combined audience of over 100,000 globally. For 2009/2010 we have planned another 10 Reach Events: free Newsboys concerts throughout America to reach lost friends and family. Two of those are this fall - Ft. Wayne, IN and Tucson.

To accomplish what we really believe God has called us to do now, we need your help. Can you imagine building 350 homes for families now living in something we would not use to store our garden tools?

If you are already supporting Global Tribe, thank you - please pray and please stay. If you are not currently, please consider rejoining us, both in prayer and financially - just \$1 a day. Together we CAN build a village and REACH the lost. Twenty-five people giving \$1 a day can build two homes every year.

We already have volunteers, now we need to provide the money to buy the building materials to build the village. If 6,000 people give \$1 a day, this project will be fully funded and 350 families will move into their new home.

Your \$1 a day, either monthly or a year at a time, will help make this possible. Join the Tribe - Build This Village - Together.

Sincerely,

Michael Tait
